Frequently Asked Questions (FAQ)

What is the TEAS® assessment?
The Test of Essential Academic Skills (TEAS®) administered by Assessment Technologies Institute, LLC (ATI) is a standardized, timed, computer-based exam designed to assess the general academic preparedness of students interested in applying to the RN program and Advanced Placement RN Program. It measures knowledge in basic, essential skills in the academic content areas of Reading, Mathematics, Science and English. The results may also be referenced during the advising process.

What subject areas are included in TEAS®?
The test consists of 170 multiple-choice questions (150 are scored). There are four sections: Reading, English, Math and Science. Basic understanding of these subjects is important for success in a nursing program.

- The **Math** subtest measures knowledge of whole numbers, metric conversions, fractions and decimals, algebraic equations, percentages and ratio/proportion.
- The **Science** subtest covers science reasoning, science knowledge, biology, chemistry, anatomy, and physiology, basic physical principals and general science.
- The **English** subtest measures knowledge of punctuation, grammar, and sentences structure, contextual words, and spelling.
- The **Reading** subtest covers paragraph comprehension, passage comprehension, and inferences/conclusions.
Who needs to take the TEAS®?
Applicants to any NCC nursing program.

When is the TEAS® test offered at NCC?
The exam is offered regularly throughout the year on the Bethlehem and Monroe Campus. You can view the extensive schedule of testing dates on both campuses when you register on-line.

When should I take the TEAS®?
You should not take the exam until the minimum admission requirements to the program of interest are met. The results of the exam are only valid for two years. You should seek the guidance of an Admission Counselor or your academic advisor before scheduling your TEAS® exam to avoid unnecessary early testing and cost.

Is there a deadline for testing?
Testing should be completed prior to applying to the program so that TEAS results can be reviewed with your application. The preferred application deadline for fall admission is February 1st and the preferred deadline for spring admission is September 15th.

What is the cost of the TEAS® test?
The cost to register for TEAS® at NCC is $69.97 including tax.

Where do I take TEAS® at NCC?
TEAS® will be administered in the Library Testing Center on the Bethlehem and Monroe Campus.
